Education Code 49558 makes all information provided confidential and unavailable for any other purpose.

Parents/Guardians:

The purpose of the School Bus Stop Assignment and Change Form is to serve as an official communication between the parent/guardian and the bus driver in an effort to successfully and safely transport your child to their correct bus stop.

Please note the following:

The parent/guardian shall complete this form and submit it to the school office.

- Students will be allowed to ride the bus only if they have a School Bus Stop Assignment and Change Form on file.
- If you want your child to get off at a bus stop other than the stops you designate below, you must send a note to the school office giving your approval for the change. It will be signed by office staff and then given to the bus driver when your child boards the bus.
- Exception: High school students may ride any bus after school when they provide the driver with a note that has their name and the departing bus stop. Blank note forms are available in the high school office.
