## California Department of Education School Accountability Report Card Reported Using Data from the 2016-17 School Year

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Principal, Lakeport Community Day

#### About Our School

Welcome to the 2017-18 school year! In my first year as Principal of Community Day School, I find it an honor to work with such a dedicated staff, and students who are unique in their abilities. At Community Day School, we strive to provide an opportunity for students to be successful and continue their learning in a setting that is comfortable and appropriate for students' individual needs.

Education is a passion of mine that I hope to continue as administrator in the alternative education setting. The goal for this year is for me to get to know our alternative education programs, students and families, to dive into new adventures in curriculum and community involvement and to focus on student achievement by helping students identify their full potential as they become young adults in society.

I am committed to building our program, creating new and exciting opportunities for learning and developing ongoing relationships and supports for our LCommunity Day School students and families.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### CAASPP Test Results in ELA and Mathematics for All Students

##### Grades Three through Eight and Grade Eleven (School Year 2016-17)

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite

#### Opportunities for Parental Involvement (School Year 2017-18)

**Parent Involvement Policy:** Lakeport Alternative Education Center's staff believe family involvement is important to the development and success of students. Building relationships and involvement by families is a goal of our administration and staff to assist in understanding of how to improve the achievement and success of their children. We offer various opportunities to communicate and/or meet with school personnel and families are encouraged to participate in their child's education in a number of ways.

Lakeport Alternative Education Center will provide materials to families in order for them to work with their children to improve their children's achievement. We share information with families regarding school information and events happening in our program. We integrate parental involvement in a variety of ways and regularly encourage and support families to stay involved. An alternative education school site council consisting of parents, guardians, and student advocates has been established for the 2017-18 school year for the purpose of fostering school improvement and student achievement at Community Day School.

**Accessibility:** Lakeport Alternative Education Center will provide opportunities for the participation of parents and families with limited English proficiency, disabilities or parents of migratory students, including and providing information about school reports in an appropriate format.

An alternative education school site council consisting of parents, guardians, and student advocates has been established for the 2017-18 school year for the purpose of fostering school improvement and student achievement at Community Day School. We also hold a Back to School Night in the Fall and an Open House in the Spring of each school year. We encourage families to attend these events in a safe comfortable environment to mingle with other families and staff, gather any information regarding programs or upcoming events or opportunities in Lakeport Unified School District or Lakeport community and meet with teachers and administration regarding academic achievement.

## School Safety Plan (School Year 2017-18)

The main goal of Lakeport Unified School District is to provide students and staff members with a safe teaching and learning environment free of violence, drugs and fear. The framework of this goal is a comprehensive District/School Safety Plan that is regularly reviewed and updated by a district-wide group of safety committee members dedicated to ensure student and staff safety. The LUSD Safety Committee reviews safety concepts, protocols, procedures, drills and training are routinely practiced.

The Lakeport Alternative Education Center's (Community Day School) safety plan is reviewed annually with all staff members. Procedures for earthquakes, lockdowns, intruders, and fires are reviewed and discussed. Practice for these are held regularly. Earthquake and/or fire drills are held regularly following the Lakeport Elementary School schedule, lockdown/intruder drills are held districtwide twice yearly. There is an emergency procedures guidelines and safety backpack located in each classroom containing emergency supplies. The safety plan includes both scheduled classroom time as well as time students are in transit to or from school via district transportation.

Academic and Behavior Goals-All students, staff and guests are expected to be respectful and safe while on campus. There are five basic rule of conduct referred to as the "5 A's": Attendance, Achievement, Abuse, Attitude, and Alcohol & other drugs. Attendance includes maintaining a 90% attendance rate. Achievement includes the student demonstrates the ability to show adequate academic progress by completing all assignments and tasks in a timely manner as designated by classroom teacher, and to the best of his/her ability. Abuse refers to the students ability to refrain from engaging in verbal, physical and/orpsycho-emotional abuse directed at another. Attitude refers to the student showing respect to all classmates, school, staff and self. Alcohol & other drugs includes students refraining from possessing and/or using illicit substances while in attendance at LAS. Smoking or use of other tobacco products are also prohibited as well.

Site Plan-This includes information that coordinates academic achievement, programs, teaching strategies, facilities and budget.

Child Abuse-All staff receive training at the beginning of each school year pertaining to mandated reporting.

Disaster Procedures-CDS has regular emergency and fire drills to practice proper and safe procedures. Procedures are outlined in the LAEC safety plan.

Suspension/Expulsion-Suspensions and expulsions follow district and school guidelines, while following appropriate ed code.

Notification of Dangerous Pupils-CDS follows ed code S49079 to ensure all staff are made aware when a student is in danger to himself or others.

Sexual Harassment-All staff receive training at the beginning of each school year pertaining to sexual harassment in the workplace and educational setting. Staff training includes a final test through Keenan Assessment Systems. All reports of sexual harassment are taken seriously, investigated and handled immediately.

Dress Code-Specifics of the school dress code are addressed in the Lakeport Alternative Education Center Handbook. Students shall wear appropriate clothing and/or clothing accessories that do not distract from the teaching/learning process.

Ingress/Egress-Community Day School students are transported by parents/guardians or utilize district provided transportation using designated routes to and from school grounds. Lakeport Unified School District does have a School Resource Officer who is on campus to support in parking lot congestion and discipline.

Rules/Discipline-All students, staff and guests are expected to be respectful and safe while on campus. There are five basic rules of conduct referred to as the "5 A's": Attendance, Achievement, Abuse, Attitude, and Alcohol & other drugs.

Access to School Grounds-All visitors are asked to check in with the school office.

Supervision-During the school day the grounds/classroom is supervised by teaching staff.

Facilities-Classroom and restrooms are cleaned regularly by district/site custodial staff outside of the scheduled work time by students and staff. All grounds/classrooms are maintained and cleaned by our district maintenance staff. Facilities are currently in proper working condition.

**Professional Development**

2015-16

For the 2015-16 school year, Lakeport Unified School District designated five staff development days prior to the start of student contact days. Teachers participated in required annual trainings including sexual harassment training, mandated reporter training and bloodborne pathogens training. Trainings also included use and progress monitoring from Measurement of Academic Progress online assessment system along with California Smarter Balanced Assessment.

2016-17

For the 2016-17 school year, Lakeport Unified School District designated five staff development days prior to the start of student contact days. Teachers participated in required annual trainings including sexual harassment training, mandated reporter training and bloodborne pathogens training. Technology focused staff development occurred throughout the school year districtwide.

2017-18

For the 2017-18 school year, Lakeport Unified School District has designated six school calendar days that have been dedicated to professional development for certificated staff. Four of these days were prior to contact with students and two others scheduled during the year, October and March. On these days staff participated in mandatory sexual harassment training, mandated reporter training, and bloodborne pathogens training. There were other training opportunities available in the areas of district radio etiquette, Aeries attendance and grading system, and professional development related to behavioral supports and systems to use in the classroom/on school grounds.

Further, all staff are encouraged to participate in additional job related professional development opportunities of choice, including job alike site visits and appropriate curriculum conferences. Optional professional development opportunities are made available throughout the school year for classified personnel.
